**Summary**

Detail-oriented Certified Electrical Engineer with over 8 years of experience in designing and implementing electrical systems. eager to leverage my technical and project management skills to help QuantumWing Innovions in optimizing their electrical system designs. In my previous role at FusionByte Co., successfully reduced system downtime by 15%.

**Experience****Senior Electrical Engineer**

*FusionByte Co., Portland, ME*

August 2013–Present

**Key Qualifications & Responsibilities**

- Managed and executed electrical design and development projects.
- Implemented strategies that reduce system downtime by 15%.
- Led an team of junior engineers and provided training and mentoring.
- Performed electrical system troubleshooting and maintenance.

**Key Achievement:**

- Reduced system downtime

**Junior Electrical Engineer**

*Genisys Dynamics, Portland, ME*

May 2011–July 2013

**Key Qualifications & Responsibilities**

- Assisted in planning, designing, and reviewing electrical system designs.
- Conducted system checks and troubleshooting.
- Worked in a team to meet project deadlines.

**Key Achievement:**

- Assisted in the successful completion of 10 high-priority projects within the stipulated timeline.

**Education****B.E. in Electrical Engineering**

University of Maine, Portland, ME

September 2007–May 2011

**Relevant extracurricular activities**

- Member, Electrical Engineering Students' Association.
- Participated in National Level Tech Fest, securing 2nd position in Project Presentation.

**Skills**

- Advanced knowledge of electrical design software
- Project management
- Strong problem-solving skills
- Excellent communication skills
- Detail-oriented
- Ability to work in a team
- Strong knowledge of electrical systems and troubleshooting
- Adaptability

**Certifications**

- Certified Electrical Engineer, National Society of Professional Engineers, 2012

**Awards**

- 2018, Engineer of the Year, FusionByte Co.

**Memberships**

Member of the National Society of Professional Engineers since 2013

- Presented a paper on “Innovative Solutions in Electrical Engineering” during the 2019 NSPE Annual Conference.

**Languages**

- English—Native
- Spanish—Intermediate

**Interests**

- Mentoring college students in electrical engineering.
- Volunteering at local tech clubs, conducting workshops on electrical systems design.
